Man Captured Who is Wanted in Petersburg On the Charge of Bigamy.

## JUDGE YARRELL COMES OUT

Will Make Another Effort to Get to Congress—Coming Reunion.

(Special to The Times-Dispatch.)  
PETERSBURG, VA., Sept. 16.—Robert L. Wharton, alleged bigamist, who married a Petersburg girl in Washington in January, 1901, has been arrested in Cincinnati, on information furnished by Chief of Police Ragan, of this city, who heard several days ago that Wharton was in Cincinnati under the name of Robert Morgan, and notified Chief Sylvester, of Washington, where Wharton's first wife is now living. The man is said to have married her in St. Paul, Minn., in February, 1891, nothing being known of his bigamy until a Washington attorney came to Petersburg last March to secure evidence for a divorce for the first wife. Captain Ragan said this evening that he had not been officially notified of Wharton's arrest, but had no doubt that the Cincinnati prisoner was the right man, and was expecting a telegram from Chief Sylvester telling him of the arrest.

**YARRELL TO RUN.**  
Judge L. D. Yarrell, of Greensville county, was in Petersburg yesterday, and announced his candidacy for Congress from this district. Judge Yarrell was defeated at the last congressional primary by the present representative, R. G. Southall, who opposed the judge's policy of a protective tariff on cotton and peanuts.

Mr. William Henry Mann and Judge Yarrell are the congressional candidates who have thus far announced themselves. It is understood that Major F. R. Lester will be a candidate at the next Democratic congressional primary in this district.

Mr. William Henry Mann, of this city, and Judge L. D. Yarrell, of Greensville county, have already announced their candidacy for the office now held by Representative Southall.

**REUNION PLANS.**

Committees on reception, entertainment and many other departments of preparatory work have been appointed by the Confederate camp, and are busily engaged in the allotted fields.

A sponsor and maid of honor from each congressional district in the State will be appointed by Dr. W. E. Harwood, of this city, Grand Commander of the Virginia Grand Camp.

Miss Josephine Budd and Miss Ashby Camp, are the chosen representatives of the Sons of Veterans.

The Decoration committee is preparing to dress the city in gala attire for the three day festival, and no details are escaping notice in the general preparation to make this meeting of the Grand Camp the greatest Confederate celebration in the city's history.

## FOUND DEAD IN HIS BUGGY

A Well-Known Cattle Dealer Discovered Lifeless—B. & O. to Extend.

(Special to The Times-Dispatch.)  
WINCHESTER, VA., September 16.—For several days there has been a serious congestion of freight on the Shenandoah division of the Baltimore and Ohio Railroad, particularly on the Harrisonburg-Lexington end. Helpers from Brunswick, however, have succeeded in relieving the situation.

Complaints are heard from farmers and other apple growers that barrels of different sizes have been shipped into their orchards by some buyers, who made deals to pay so much a barrel for the fruit, although, it is stated, no agreement was entered into regarding the particular size of barrels. A number of farmers, it is said, have lost by sugar barrels, instead of flour barrels being used.

**Paid All Debts.**  
John R. Milley, whose meat market here was closed by the sheriff this week for debts unpaid, has arrived in Winchester. Liquidated the entire indebtedness and sold the place to Mr. H. R. Orndorff, of Wardsville, W. Va.

Announcement was made here to-day of the marriage of Miss Pocahontas Bolling Smith, daughter of Professor A. Magill Smith, formerly principal of the Episcopal Female Institute of Winchester, to George Carroll Todd, of All Saints' Protestant Episcopal Church at Markham, Fauquier county, Tuesday, September 12th.

Jackson Woods, a well-known cattle dealer of Shenandoah county, was found dead in his buggy near New Market yesterday. Death was due to heart failure. He was 60 years old and a member of the Nott-Rice Confederate Camp. He was unmarried.

**B. & O. May Extend.**  
A report was received here to-day from Lexington, Va., to the effect that the B. & O. Railroad has taken preliminary steps to extend its valley line to Roanoke, where it is proposed to make connection with the Tidewater Railroad. Official word is expected in a few days.

A large and enthusiastic crowd of horsemen and horsewomen attended the annual fall meet of the Blue Ridge Hunt Club at Carter Hall, Grove, near Mill Creek, Berkeley county, this afternoon, when an attractive card was presented. The most interesting event was a cross-country steeplechase, in which a large number of men and women participated. No accidents occurred during the exciting race.

## WOODSTOCK

(Special to The Times-Dispatch.)  
WOODSTOCK, VA., Sept. 16.—The apple crop in Shenandoah county is yielding handsome profit to the growers this year, and thousands of barrels are being shipped to the Northern markets. One party having purchased as many as 15,000 barrels thus far.

Emory Silvious was tried in the Circuit Court here this week upon the charge of non-support of his wife, Minnie Silvious, and sentenced to nine months in jail. This is the first case of this character to be tried in Shenandoah county under the new statute, making it a misdemeanor for a husband to fail to support his wife.

Miss Mary B. Boyer, daughter of Elder and Mrs. B. F. Boyer, of Seven Fountains, was married Thursday to Mr. Charles B. Compton.

## GREAT INTEREST IN COMING SHOW

Very Likely Heather Bloom Will Try to Break His Own Record.

## THRONG OF VISITORS HERE

Hotels Will Be Crowded and Social Life Gay—Many Entries Expected.

On Monday the offices of the Richmond Horse Show will be opened in the Chamber of Commerce Building on the ground floor, and tickets will be placed on sale. All the boxes have been taken, and there is a waiting list of twenty-one of those who are hoping that someone may give up a box. Mr. Tomlinson will be in charge, although Secretary W. O. Warthen and President John Thomas Anderson will have their private offices there.

With the opening of the ticket office the entries will begin to come in, and by next Saturday, when the list closes, it is thought that there will be not less than 600 applicants for blue ribbons. Letters have been coming in for the past two weeks from all over the country asking for definite information about shipping rates, and making application for loose boxes and stalls.

The hotels have a large number of rooms engaged, and every indication points to an immense number of exhibitors and guests.

It is stated that the Westmoreland Club will, according to the usual custom, be thrown open to its members and their guests during horse show week.

Late supper will be served after the show, and an informal dance will be held each night.

**Mr. Hyde Comes.**  
On Saturday, September 23d, Mr. Jas. K. Hyde, manager of the show, will come down from New York and take active charge of the local arrangements. Mr. Hyde, who is also manager of the Madison Garden Show, has been for months engaged in interesting the big stables of the country to visit the Richmond show, and it is learned that he has been very successful in his efforts.

It is now almost assured that "Heather-bloom" will try to break the world's record high jump of seven feet nine inches for 500 pounds, offered by the Association, while it is also stated that a Virginia horse will also make a bid for the high jump championship. The owner of the Virginia horse informed a Times-Dispatch man that his horse could go eight feet, and that he had gone that height in schooling. If these two jumpers get together there will be a contest, the like of which has never been seen in the world.

**Grey Rock Also.**  
Grey Rock, Mr. Taylor's high jumper who tried with "Lady Belle" at seven feet four inches last season, will also be in evidence, and should make a formidable competitor in the jump for the championship.

There will be harness horses a plenty from both the North and South, and this class will far outrank any exhibition that this city has ever seen. The management has secured the services of the famous Artillery Band of Fort Monroe, and this attraction will give pleasure to the thousands who will fill the enormous Horse Show Building.

President Anderson was asked what he had to say about the show.

He replied: "I firmly believe that the Richmond Horse Show will be greater in every way than any show our association has ever given. We have assurance that the best horses in the country will be here to compete for the \$10,000 we have offered in prizes."
